

## Marble “Calacatta”

The **Calacatta Marble** features a pure white/ivory background with veins running diagonally, characterized by grays of various shades that can mix with intense beige-colored veins.

The veins present make it a very precious marble.

This marble can also be used to create sinks and special products.

- Easy to clean.
- Features a white background with gray and beige veins

Consult the technical information to see the various possible combinations of formats and surface finishes available.
