

Tall travertine sink “Hammam”

Imposing light travertine sink, originally designed as a water collector for Turkish baths and hammams, from which it takes its name.

This is a deep sink made from carved stone: make the sink the central element of the bathroom, enhancing the room’s architecture.

- The faucet must be wall-mounted
- The drain hole is standard size.
- Easy to clean.

Note: Faucet and drain not included in the price.
