

Travertine mosaic “3x3cm Coral Mix” Rustic

Coral Mix is a **blend of travertines** in various colors, expertly mixed and selected by hand to achieve a unique effect: pink, yellow, brown, and beige.

We offer it with tiles of 30 x 30 mm: neither small nor large, to enhance the tones but also to ensure they combine well together.

The adapted finish is “Rustic” aged to **emphasize the natural look** of the product.

- Thanks to the thickness of 10 mm, it can also be installed with ceramic tiles
- Each box of this mosaic contains 10 sheets equal to 0.93 m²
