

Travertine shower base “Flat”

Pietre di Rapolano presents its minimalist solid “Flat” shower base, a slab of classic travertine, with a slope towards the drain allowing water to flow away. No edge defines its outer limit for a simple, “clean” and elegant visual effect.

It becomes spectacular when installed flush with the floor for a “walk-in” shower.

Standard dimensions: **95 x 95 x H 5.0 cm** can also be custom-made to the client’s specifications.
